RE: Roy Chan

To Whom it May Concern,

This letter is on behalf of Roy Chan. Mr. Chan graduated with a Bachelor of Arts Degree in Criminology, Law and Society and minors in Educational Studies, English, and Anthropology from the University of California, Irvine in Spring 2009. Mr. Chan finished the degree with a large number of units; he graduated with 373.4 units while the minimum number of units to graduate is 180.

Mr. Chan has also demonstrated that he can handle a rigorous course load. Students generally take an average of 12-16 units each quarter, but in Mr. Chan's last two years, he took 26.0 units in Fall 2007, 34.3 units in Spring 2008, 29.0 units in Fall 2008, and 31.3 units in Spring 2008. This shows that Mr. Chan can handle many courses and still manage to do well.

Also, Mr. Chan progressively improved his GPA over his last two years at UC Irvine, which shows he has the potential to grow and improve. In his first quarter, Mr. Chan earned a 2.43 GPA and by the end, he was able to raise his cumulative GPA to a 3.06.

Overall, Mr. Chan has been an ambitious, hard working student and any program would be lucky to have him as a part of it.

Best,
