To the Korean-American Scholarship Foundation:

It is my distinct pleasure to write this letter to support the recommendation of EunBee Anh for the Korean American Scholarship Foundation scholarship. I have known her for almost a year as an undergraduate at the University of California, Irvine, where I had facilitated a University Studies class to provide Ms. Anh valuable knowledge about the various on-campus resources and majors here at UC Irvine as well as to give vital information she need to succeed as a student at the university level. During my tenure as an interim staff for the Division of Undergraduate Education, I have worked with many high-achieving students who are ambitious and goal-oriented like Ms. Anh. I have observed Ms. Anh to be thorough, efficient, motivated and an enthusiastic individual who gives more than required to every task and assignment she undertakes. She demonstrated leadership and time-management skills far beyond those of her peers.

As an affiliate of the UCI Undecided/Undeclared Advising Program, I understand that in order to ensure that staff members recognize key issues affecting university students today, it was necessary to be creative and unique. Through consistent and persistent, I have been able to effectively carry out my lesson plans with the help of EunBee Anh, who often posed suggestions and questions in my class to encourage active participation to her fellow classmates. She is the type of individual that can be provided with multiple assignments with few guidance, and can quickly determine the key points for a given situation and problem to formulate an efficient, prudent solution. Ms. Anh strong work ethic and dedication to academic has enabled her to finalize her major at UC Irvine to pursue a Bachelor's degree in Business Economics.

Perhaps the most impressive attribute about EunBee Anh is her amazing compassion and kindness to others. For as long as I have known her, I cannot recollect the moment when I have not seen a happy expression from Ms. Anh. She always goes the extra mile and above and beyond her duties to help and encourage others when they are troubled. Ms. Anh critical intelligence demeanor of maintaining high scholastic GPA at UCI, and her capacity to balance time to remain active in special programs and opportunities, will allow her to succeed in any endeavor that she chooses to pursue.

In short, I highly recommend EunBee Anh as a candidate for the Korean American Scholarship Foundation scholarship. In my years of work in the field of academia, she has exhibited the utmost caliber of diligence, intelligence, and empathy of any undergraduate student that I have encountered. Ms. Anh is sensitive to diversity issues and has the sense to analyze a problem and formulate solutions. For her to dedicate herself for the benefit of others is not only a personal challenge, but also as a gift that she can share with others in the Korean community. Ms. Anh has my highest and unequivocal endorsement for the Korean American Scholarship Foundation scholarship. If you have any questions or concerns regarding this recommendation, please do not hesitate to contact me. I can be reached at (562) 481-5304 or at [rychan@uci.edu](mailto:rychan@uci.edu).

Sincerely,

Roy Chan
