THE NATIONAL SOCIETY OF HIGH SCHOOL SCHOLARS

115 NATIONAL HEADQUARTERS • 2531 BRIARCLIFF ROAD • ATLANTA, GA 30329

1.866.343.1800 • WWW.NSHSS.ORG

July 7, 2003

Dear Roy:

Congratulations. Based on your outstanding academic achievement at Polytechnic High School, you have been nominated for membership in The National Society of High School Scholars. The Society limits selection to only those seniors who have excelled academically. Your hard work has placed you among this select group of students and has earned you this invitation to join other outstanding high school scholars in recognition of dedication to excellence.

Tradition is the passing down of values from one generation to the next. The Nobel family continues its tradition of recognizing, encouraging, and perpetuating excellence. My family established the world-renowned Nobel prize that reward individuals and organizations for world betterment. Whether you starting or continuing your family's tradition of excellence, this important legacy should be recognized. Your achievement, a milestone in your personal academic development, has led to your selection for membership in The National Society of High School Scholars.

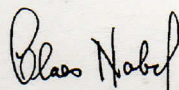

Membership in the Society provides a special opportunity for you to distinguish yourself based on outstanding scholastic achievement and academic excellence. This recognition and honor lasts a lifetime. Your personalized membership certificate, bearing the Society crest and my signature, should be proudly displayed as testament to your achievement. The Society also provides membership with a variety of opportunities and resources, including access to scholarship leadership development programs, and service activities.

As you prepare your university applications, you may list your selection and membership in the Society as one of your significant accomplishments. Member Laurel Angelica told me recently, "I feel that NSHSS was instrumental in helping me gain admission to my first-choice college, Princeton University." Your hard work should also be formally recognized and given the weight it deserves during the application process.

Membership in the Society is by invitation only. To accept, please complete the enclosed member confirmation form and return it to our national headquarters with the one-time membership fee of \$45.00 by July 30, 2003.

I look forward to welcoming you as a new member of the Society. On behalf of the entire advisory board and myself, I would like to congratulate you and your family.

Sincerely,

Claes Nobel
Chairman

P.S. Please respond by the membership deadline of July 30, 2003.
