Dear Roy,

Congratulations! You are invited to join the National Society of Leadership and Success, Sigma Alpha Pi, chapter at the University of California, Irvine. You have been selected to join the Society because of your academic accomplishment of a 3.0+ GPA.

The National Society of Leadership and Success is a nationwide organization dedicated to creating lasting positive change in students' lives and in the community. To achieve this, the Society invites students to attend presentations by some of the nation's top speakers, authors, and leaders discussing topics such as leadership, creating a vision, and identifying goals.

In addition to having the opportunity to attend six live videoconferences per academic year, you will benefit from additional leadership training and participation in peer coaching groups called Success Networking Teams. After completing the steps to be eligible for induction, you will be inducted as a member of the Society and receive your leadership certification.

You will also be eligible for awards and scholarships; have access to a collection of success and leadership materials; benefit from access to success coaches; and network with other student members on your campus. Not only will membership in the Society make you more valuable to employers after graduation, but you will also receive a personalized letter of recommendation to help you get the job of your choice.

To accept your invitation, simply visit our web site [www.societyleadership.org/invitation](http://www.societyleadership.org/invitation) and complete the online application form, using the invitation code "18493-581-13737". Once your application and Society dues have been received you will be registered as a pending member and you will receive an e-mail confirmation. I will contact you shortly with the time and location of your initial Orientation meeting on campus. If you have any questions please contact Brittany Yung, Society Student President, at [yungb@uci.edu](mailto:yungb@uci.edu).

Your application must be received by midnight February 26, 2009.

Congratulations on qualifying to receive this invitation.

Sincerely,

Andrew Gonzales  
Associate Director of the Social Sciences Academic Resources Center  
Society Chapter Advisor
