

LA Contemporary Dance Co.
2010 Summer Dance Intensive
Statement of Participation

July 30, 2010

Congratulations Mr. Roy Chan!

We recognize that you have completed the LACDC's 2010 Summer Intensive, two week program. This year's pre-professional and professional program includes classes in contemporary modern and jazz technique, improvisation, composition, body conditioning and the opportunity to develop new work and learn LACDC repertory with Artistic Director, Kate Hutter, and LACDC company members.

Your hard work led to a Studio Showing where you, the students of LACDC's Summer Intensive, performed works by Kate Hutter, Scott Hislop, Adam Parson and other guest faculty as well as student choreography and improvised compositions.

Thank you for your hard work and dedication. We wish you the best as you continue your career in dance.

Sincerely,
