Dear ROY:

Thank you for submitting an application to The Broad Prize for Urban Education Scholarship competition. We received 1509 applications for this year's program. From the initial pool, 457 students were identified to proceed to the second stage of the competition.

As an applicant in the scholarship competition, you were among a pool of competitive students whose academic information was carefully reviewed. Students have been selected to advance to the second stage, and we regret that you were not among those chosen. We would like to be able to extend an award to every deserving student, but the number of awards is limited.

We thank you for your interest in the scholarship program. If you have not already done so, you may wish to contact the financial aid administrators at the colleges of your choice to determine what other financial resources may be available to you.

We extend our best wishes for a successful college career.

Sincerely,

A handwritten signature in black ink that reads "James L. Mahoney".
