Dear Mr. Chan:

We are pleased to provide you with the enclosed UC Irvine Library card. This card is provided as a benefit of your membership in the UCI Chancellor's Club.

As the largest research collection in Orange County, the UC Irvine Libraries are a strategic information resource for the entire region, and play an important role in advancing research, development, and education in the local business community. The Libraries are comprised of four facilities: the Langson Library, the Francisco J. Ayala Science Library, the Grunigen Medical Library, and the Gateway Study Center. The Library collections are comprised of over 3.25 million volumes, and more than 54,000 journals in electronic and print subscriptions.

We are pleased to make our library resources available to you. Your UCI Libraries' card is valid for one year and may be renewed through membership in the Chancellor's Club. Additional information about borrowing privileges and library services is enclosed. For further information please contact the Library Development office at (949) 824-4651.

Sincerely,

A handwritten signature in blue ink that reads 'Julie Sully'.
