ACADEMIC YEAR

Golden West College offers classes on the semester system throughout the
academic year. The fall and spring semesters are sixteen weeks in length; the
summer semester is eight weeks; and the winter intersession is four-weeks.

GRADING

Student performance in courses is indicated by one of twenty grades.
Grades which carry point value, and which are used in determining the grade
point average (GPA), are as follows:

A	- Excellent	4 grade points per unit
B	- Good	3 grade points per unit
C	- Satisfactory	2 grade points per unit
D	- Passing, less than satisfactory	1 grade point per unit
F	- Failing	0 grade point per unit

The following grades are not part of the GPA computation:

CR/P	- Credit at least satisfactory	Unit credit granted
NC/NP	- Non-Credit, less than satisfactory or failing	No units granted
W	- Withdrawal	No units granted
MW	- Military Withdrawal	No units granted
I, IB, IC, ID, IF, INP	- Incomplete	No units granted
IP	- In Progress	No units granted
NG	- Non-Graded	No units granted
RD	- Report Delayed	No units granted

Incompletes were expanded to include the grade that the incomplete will
revert to in one year if the student does not make up the coursework with the
instructor (i.e. ID = incomplete which will revert to a "D" in one year if the
student does not make up missing coursework).

An "E" to the far right of a course indicates that the grade has been excluded
from the GPA calculation. The reasons for the exclusions may be notated as
follows:

ACDRWL	Academic Renewal
HS	High School Credit Only
UR	Unauthorized Repeat
SUBSTND	Repeated Substandard Grade

ACADEMIC RENEWAL

Academic Renewal permits the alleviation of previously recorded substandard academic work which is not reflective of a student's present ability. See the College Catalog for Academic Renewal Policies and Procedures.

DATABASE CONVERSION

In November 2007, the Coast Community College District converted a new database. As a result, the following changes took place to our academic history:
